Action Taken Report based on Curriculum

Program: B.Sc. (Maths, Electronics, Comp. Sc)

Action Taken Report for 2018-19

A structured (rating-based) feedback form, designed by IQAC, is circulated among stakeholders by the department to get their suggestions with regard to the quality of the curriculum. The responses from stakeholders are analysed and suggestions are communicated to the department. The suggestions are discussed in the BOS meeting and necessary changes are recommended to the curriculum.

SUGGESTIONS RECEIVED FROM	ACTION TAKEN
Student The Curriculum and syllabus were lengthy for the students.	Proposed to precise the curriculum as per the present trend.
Faculty: Adequate Infrastructure must be available in the college.	Proposed to have Latest systems, department library and projector was provided for ICT Classes.
Alumni: Suggestions were made for Research Programs and Participation of Internships.	Proposed to introduce dummy projects in 6th semester for the benefit of the students.
Employer: Suggestions were given for the students to meet the industrial standards.	CRT classes need to be implemented for the students to update with the industry standards.

Action Taken Report for 2019-20

A structured (rating-based) feedback form, designed by IQAC, is circulated among stakeholders by the department to get their suggestions with regard to the quality of the curriculum. The responses from stakeholders are analysed and suggestions are communicated to the department. The suggestions are discussed in the BOS meeting and necessary changes are recommended to the curriculum.

SUGGESTIONS RECEIVED FROM	ACTION TAKEN
Student: Few Students' feedback suggests highlighting a need for stronger emphasis in Development of Critical/Analytical Thinking area.	Proposed to use case studies, debates, and research projects to enhance critical thinking skills.
Faculty: Syllabus does not adequately encourage entrepreneurship skills, this aspect as poor or average.	Proposed to encourage projects and initiatives that foster entrepreneurial thinking and skills
Employer: The curriculum is seen as suitable for employment, but ongoing alignment with job market demands and employability skills can further improve its effectiveness.	Planning to Partner with companies for guest lectures, workshops, and mentorship programs to provide students with industry insights and networking opportunities
