The objective of the workshop was given by Dr.D.Sreedevi HOD of Electronics. She said that the duration of this workshop will be two consecutive days, with seven hour session each day in a total of fourteen hours properly divided into theory and hands on sessions. 70 students registered for the workshop.

The faculty members of the department Nataraju,Subhashini, Tirumala Rao, Srikrishna, Swaroop rani, Ayyaraju along with Mr.I.Venukumar, the co-founder of TTS along with his team coordinated the workshop appreciably to make it successful. Students were extremely happy with their own handmade project and expressed a view that they gained the capability of designing special purpose PCB of any Electronics Project using computerized designing methods.

The valediction was done at 4 PM on 16th July. The students expressed their over whelming joy for learning hands on experience in designing a PCB and for being a part of the workshop. The Management, Principal, Director and Staff appreciated the students for their active participation and asked the department to continue conducting such student beneficial workshops in future. K.Nataraju proposed vote of thanks and the workshop ended after distribution of certificates
