ITEM 7: Any other Matter

Resolution 7 (AC-19/21-22)

While discussing the syllabus for UG, PG Engineering and Technology Programmes several suggestions are made by Honorable Members. They are

➢ Establish a Cell to focus on environment and energy related challenges and issues. Prof. VSRK Prasad offered to guide in the establishment of this cell.

➢ Encourage students of MBA and BBA to take up internships in GVP institute of Health care and Medical Technology.

- ➢ Mathematics may be added to the course structure of B.Com and B.Com (Computers)

- ➢ Energy environment may be made compulsory to all courses along with B.Com.

- ➢ Add a course on environment management, energy audit as open elective in MBA programs.

  Add topics on Environmental sustainability and waste disposal in different areas of engineering specifically in Civil Engineering.

- ➢ Add IPR as one credit course in all programs.

- ➢ In English Technical report writing may be added to the syllabus.

- ➢ Make changes in Engineering physics syllabus by adding materials engineering and more topics with application to Engineering and Technology

- ➢ CSE & Mechanical students may be encouraged to opt for minors and Honors courses.

- ➢ Focus on Research in Coastal Biodiversity and Marine microbiology. Collaborate with NRDC and file patents in Life Sciences.

- ➢ Add topics on usage of IoT in MB.BT.BC and bio medical wastage management.

- ➢ Establish center of Excellence in the domains of IT, MNRE, IOT, ecological sustainability.

- ➢ The new courses and value added programs proposed by different departments have been approved to enhance this skillset of the students during the Academic Year 2021-2022.
