

**GAYATRI VIDYA PARISHAD
COLLEGE FOR DEGREE AND PG COURSES
(AUTONOMOUS)
Yendada, Rushikonda Beach Road, Visakhapatnam-45.**

**ANNUAL REPORT
ACADEMIC YEAR 2018-19**

➤ **HIGHLIGHTS**

The Engineering and Technology programs got permanent affiliation from Andhra University and subsequently autonomous status was granted to the programs. I am happy to share with you all that from the next academic year 2019-20 onwards, the college is going to get admissions under autonomous stream. On this occasion, on behalf of the management, staff, students of the college I once again wish to profusely thank the Vice Chancellor, Andhra University, the Registrar, Deans and their staff, AU nominees on BoS, Academic council and Governing Body for their continuous support and encouragement without which the college could not have obtained all these achievements during its three decades of journey.

➤ **Internships/Innovation**

The college has established Institution Innovation Council (ICC) cell as per norms of Innovation cell, Ministry of HRD, Govt. of India to inculcate the culture of innovative thinking amongst students and faculty. The ICC cell has identified enthusiastic students and submitted proposals to various ideation competitions since its formation. Two groups of students studying III/IV B.Tech CSE (2016-20 batch) sent proposals and one proposal got shortlisted for CSI National Level Project Display competition going to be held at Pune on 15th March 2019.

Fintech Hackathon organized by APITA, State Government of AP in Visakhapatnam and two girls participated in the 2-day hackathon on block chain technology. They won the 1st Prize which includes a cash award worth of Rupees 1 Lakh and Internship in BlufriCS on Block chain Technology.

➤ **SWAYAM /NPTEL**

The college is hosting SWAYAM NPTEL local chapter for the past 3 years. With the introduction of MOOCs courses in the Andhra University curriculum we are able to motivate NPTEL certifications among students and faculty. The videos and web content of all the material hosted by NPTEL are available in the LAN of the college and students can access the contents from any computer system in the college. The Local chapter under SPOC (Single point of contact) Sri.G.V.Gaurav received Certificate of Appreciation for being the most active SPOC of local chapter for 3 consecutive semesters. He was felicitated for the above reason in the NPTEL South Zone workshop conducted on 19th January, 2019 organized by IIT Madras, Tamil Nadu. He also conducted seminars for faculty working in GVPCDPGC on the importance of SWAYAM/NPTEL courses and certifications. Many of our College faculty have registered their names and pursuing certificate programs of their choice.

➤ **Website : www.gvpcdpgc.edu.in**

A new website with domain mails for each and every employee and all students of GVPCDPGC has been created www.gvpcdpgc.edu.in which hosts the information of the Degree courses, PG courses and Engineering courses. The website provides details of the governing body of the college, faculty and facilities with their photographs. Alumni page is created in such a manner that any alumni can register his/her name at any point of time and can exchange information on the website. The information related to academic calendar, timetables, examinations and activities organized are all updated regularly in the website. The website is hosted from Google cloud (AWS) giving dedicated space for 100 GB of data, data-security with zero downtime.

The new seminar hall constructed at Dwarakanagar campus is inaugurated by the Honorable Vice chancellor Professor G Nageswarrao and expressed his satisfaction at the facilities such as new class rooms and infrastructure provided in that campus. On this occasion we brought to the notice of the Honourable Vice Chancellor about our requisition pending with the university in connection with shifting of certain courses from MVP campus to Dwarakanagar campus at which he positively responded. Accordingly B.Com course is proposed to be shifted to Dwarakanagar campus.

I may be permitted to share with this august gathering that the management of the college started working on providing almost 60% of the classrooms and all seminar halls as e-classrooms and ICT enabled rooms by the end of this summer. I take this opportunity to thank our management on behalf of all the students

and faculty.

I am extremely delighted to inform the honourable members of the Governing Body that the Engineering programme and Management programme together uploaded the self assessment Report SAR to AICTE for accreditation and waiting for the visit of the peer committee.

I am also happy to inform the members that the College is busy with filling up the SAR for accreditation by NAAC which is for all the programmes put together.

In the context of the above, on behalf of our teaching fraternity I wish to express my sincere gratitude to Prof. P.V.Sarma founder member of GVP and my own teacher for being instrumental in both NBA and NAAC related activities in the college. He has been relentless working along with us giving inputs and all necessary guidance.

➤ **PLACEMENTS**

- I wish to take the opportunity to recall your memory towards the establishment of training and placement cell in each and every campus headed by respective placement officers along with a skill development centre established by the state Government of Andhra Pradesh.
- Further I may also be permitted to mention that the renewed memorandum of understanding with TCS and good rapport with noted organizations like CII, Yi, NIPM, UPTEC Idea labs Limited E2 Labs, Siya Softicon Private Limited etc, helped us a lot in the process of placing the students in different organizations.
- On the whole, during this academic year about 350plus students of all the courses put together are placed with the help of our college. The pay package ranges from 1.20 lakhs per annum to 4.6 lakhs.

➤ **RAGGING PREVENTION COMMITTEE**

Several committees are formed for the College as per the rules and regulations laid down by University Grants Commission, NAAC etc bodies.

Sri. T.S.R. Prasad, Retired Assistant Commissioner of Police is inducted into Grievance Redressal Committee as Ombudsman, by Invitation. Senior students of different programs are also involved as representative members in each and every committee.

We can proudly claim that ours is a Ragging free college. The staff along with some senior students formed a committee in each campus to make the new comers more comfortable. This has been a practice in the college over years. Every precaution is taken to prevent ragging within the campus, hostels and College Buses.

We have installed CC cameras to cover all blocks, entrance gate and parking areas at Rushikonda Campus as well as M.V.P.Campus.

➤ **EXAMINATIONS:**

At present semester end practical examinations for all courses are going on and the theory examinations will commence from 29th March for all UG courses and from 15th April for all PG Courses. The examinations schedule for Engineering programmes are in accordance with Andhra University schedule.

Workshops/Seminars/Faculty Development Programmes organized and attended by faculty

Department of Civil engineering;

Total Station surveying 3days 4th-6th February, 2019 Universal Survey Solutions.

AutoCAD 5days 11th -15th February, 2019 ICT academy.

Cloud Literacy Day Cloud Computing 23-11-2018 from ICT Academy

2 Day Training on IBM Rational Software Architect Designer 29-11-2018 to 30-11-2018 Pinnacle Info Tech, IBM Business partner

3 Day Workshop on Cyber Security 3 Dec to 5th Dec 2018 APITA, AP Govt

Essential engineering mechanics with simplified integrated methods of solution Engineering mechanics on 15-12-2018 Dr. Narasimha Siddhanti Malladi

National Seminar Environmental Health and Biotechnological Applications on Food and Pharma Industries.” on 27th & 28th Oct, 2018 Organized by Department of Biotechnology & Food, Nutrition and Dietetics, Andhra University.

Oneday workshop “Fold scope and Its Applications in Cancer” on 08th Dec 2018. Organized by Department of Biochemistry, Gitam University.
