DEPARTMENT OF CHEMISTRY**

BRIDGE COURSE NOTE

Bridge Course is a teaching Programme organizing by the Department of Chemistry(UG) every year to re-introduce the basic concepts of chemistry like classification of elements in to periods and groups, IUPAC rules in naming of organic compounds, plancks quantum theory and gas laws from physical chemistry. In addition to this introductions and terminology of new topics like spectrophotometry, chromatography, spectroscopy also taught by the faculty to make the topics easy for the students in final year.

**Details of the bridge course for Ist semester students
Academic year 2017-18**

Students in M.Sc (Organic chemistry) during this academic year are with biology background at their undergraduate level. A bridge course is conducted in mathematics for biology students according to the following time table by the faculty members of the department of Organic chemistry.

The following students are with biology back ground facing difficulty in understanding the mathematical calculations.

List of Students:

SNO.	REGISTER NO.	NAME OF THE STUDENT
1	PG171809008	D. Vidyadhara
2	PG171809007	D. Ramasai Durga
3	PG171809005	Ch. Srinu
