

**Day 5:**

5<sup>th</sup> day of our special camp was started with a survey regarding the resources available in the village, income, health and economic conditions of the people. Our volunteers are divided themselves into various groups, interacted with the villagers and collected the information of each individuals in the village.

The afternoon session was started with inspiring speech by Dr. J. Siva Satyanarayana garu, President, JCI Walter. In this session he discussed about Team work and importance of Team work. He also conducted some activities to develop Team Work.

**Activities to develop Team Work.**
