

VISION

Creating Human Excellence for a Better Society

MISSION

Unfold into a World class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

ABOUT GVP

Gayatri Vidya Parishad is an Educational Society established by a group of erudite academicians of Visakhapatnam City in the year 1988 and supported by a number of industrialists and philanthropists of the city. One of the major aims of the Trust is "To promote, establish, maintain and assist in maintaining educational and other institutions with a view to imparting education in all branches in general and advanced technology, management, education, and science in particular, and thus to facilitate securing gainful employment to the youth of the country".

The founding sagas are a source of inspiration and strength to the institution and their wisdom is reflected in the content and quality of the curriculum for all the courses. All the members of the Governing Body are eminent academicians, great educationists and social workers who laid strong foundations for the promotion of professional, ethical and human values for this great edifice of academic excellence and continue to guide it to scale new heights over the past three decades.

ABOUT INSTITUTION

Gayatri Vidya Parishad College for Degree and P.G Courses (A), the premier institution in Visakhapatnam, the city of destiny, is committed to impart quality technical education. We aspire to help our students to become true professionals who adhere themselves to ethical standards besides acquiring appropriate knowledge and skills. It is our destined aim to see them as learners with passion and dedication for the nation

building. With our innovative programs and proactive approach, we focus on maintaining cordial relations between the faculty and the students to augment knowledge and stimulate self-development in order to realize and maximize their potential.

ABOUT ENGINEERING AND TECHNOLOGY PROGRAM

The Engineering and Technology program includes UG program in four disciplines, B.Tech Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering and Mechanical Engineering. The courses were started in the year 2011. The Engineering and Technology program are permanently affiliated to Andhra university. The graduates passed out since 2015 to 2019 are placed in various MNC's and startups with salaries ranging from 2.5 LPA to 7 LPA. The four programs have highly qualified faculty, fully equipped labs and other facilities.

ABOUT WORKSHOP

The aim of the workshop is to create awareness and ease in using Open Source Software called Learning Management System (LMS) - Moodle and train the faculty on how to handle the Moodle and apply the learning to their course. The course will train faculty on how to upload a data or information in their respective topic, images and files, and how to handle assignments. Faculty will also train on conducting online examinations, assessments, and manage attendance and much more.

ELIGIBILITY

This workshop is open for all the faculty of University/Engineering/Science Colleges. Please designate 3 members from your department to register.

WORKSHOP DATES:

30th April & 1st May, 2019

VENUE: MCA Seminar Hall
