Department of Computer Science and Engineering
(Accredited by NBA)

Vision: The vision of the department is “Create and sustain as a Centre of excellence in Computer Science and Engineering and allied areas of research to pave the way for providing better technocrats to the society”.

Mission: The mission of the department is “To provide strong *conceptual base (M1)* for acquiring programming skills, to develop *high computational innovative skills (M2)* and to empower *leadership qualities with strong ethical base (M3)*”.

Department of Computer Science and Engineering was established in the year 2011. The department offers **B.Tech in Computer Science and Engineering** course. The B. Tech in CSE program is accredited by NBA for a period of 3 years from 2019-20 academic year onwards.

Apart from under graduate program, AICTE sanctioned **Post Graduate Program M. Tech in Computer Science and Technology** from 2020-21 academic year with an intake of 18. The Courses in the program are designed on par with industry needs and research. Both B.Tech and M.Tech programs are under Autonomous stream and curriculum of both programs is designed in line with the AICTE new guidelines and are under Choice Based Credit System (CBCS) pattern. The department continuously monitors the future skill requirements and makes appropriate changes to content and pedagogy. In this direction, the department has taken initiative and introduced courses in thrust areas proposed by AICTE like Machine Learning, Big Data Analytics, Internet of Things and Data Science in B.Tech.(CSE) program and advanced levels in MTech (CST).

The Department’s strength lies in well qualified and experienced faculty who always thrive to deliver professional knowledge and impart interpersonal skills for the overall development of students to meet the expectations of the software industries. The department attracts high quality students with good ranking in the respective CETs. The department has impressive placement record with more than 70% placements in each year with highest package of Rs.7 lakhs per annum. The department has ambient classrooms equipped with ICT enabled learning technologies and state of the art laboratories having over 200 branded systems, high bandwidth Wi-Fi and powerful servers.

Department welcomes all the aspirants of both MTech and BTech to be a part of CSE family and wish them a bright future!
