ABOUT THE INSTITUTE

Gayatri Vidya Parishad is an Educational Society established by a group of erudite academicians of Visakhapatnam City in the year 1988 and supported by a number of industrialists and philanthropists of the city. The Society is managed by eminent educationists, philanthropists and technocrats. One of the major aims of the Trust is "To promote, establish, maintain and assist in maintaining educational and other institutions with a view to imparting education in all branches in general and advanced technology, management, education, human and science in particular, and thus to facilitate securing gainful employment to the youth of the country".

PROGRAM SALIENT FEATURES

- Prudent, well qualified, Ratified faculty members with three doctorates.
- State of the art laboratory facility for academia and Research.
- The Department is accredited by the National Board of Accreditation-NBA and NAAC.
- The curriculum is well balanced with 1 year course work with wide choice of elective subjects to meet individual professional goals and one year project to achieve practical aspects of structural engineering.
- The institute is offering exceptional expertise consultancy services to Government, industry and Private Sectors.
- Outstanding industry institute interaction through internships, industry visits, guest lectures and workshops.
